E-Safety Acceptable Use Agreement EYFS/KS1

I want to feel safe all of the time.

I agree that I will:

- Always keep my passwords a secret
- I will only use the computer for things that I am told to do by my teacher
- Only open pages which my teacher says are OK
- Only work with people I know in real life
- Tell my teacher if anything makes me feel scared or uncomfortable
- Make sure all messages I send are polite
- Show my teacher if I get a nasty message
- Not reply to any nasty message or anything which makes me feel uncomfortable
- Only email people I know or if my teacher agrees
- Talk to my teacher before using anything on the internet
- Not play games (unless told to by my teacher) during lesson time
- Not tell people about myself online (I will not tell them my name, anything about my family and home, phone numbers or pets).
- Not load photos of myself onto the computer
- Never agree to meet a stranger

Anything I do on the computer may be seen by someone else

Dear Parents,

Keeping your child safe is of utmost importance to us at Highfields. As part of our commitment to keeping your child safe when online I would ask you to discuss the points above with your child and help us to help them learn how to stay safe. E-Safety is an ongoing issue for all young people and at Highfields we continue to work with the appropriate agencies to promote safe usage. We would also ask you to promote this same approach at home to enable consistency.

Please could you sign the slip and return it to school to inform us that you have discussed this with your child. We can only allow access to the internet in school if we receive the signed form.
