What's going on this week?

The country of Ukraine has elected a comedian called Volodymyr Zelensky as its new president. Volodymyr, who is originally an actor and comedian, once starred in a role as a teacher who accidentally becomes president! According to official results, he won Ukraine's presidential election with 73% of the vote. Volodymyr has no previous political experience and wasn't very clear on his main goals and so many were surprised to hear of the surprising victory!

*Things to talk about at home...*

- 🌿 Can you think of different people who are leaders in different roles? E.g. the leader at your school, your country, a group you're part of. What makes them good at their roles?
- 🌿 Do you think anyone should be allowed to run a country or do you think there should be restrictions? E.g. age, certain qualifications or experience required.
