**Friday 8th October** - A copy of the children's IQ Christmas card designs to be sent home for parents to view.

**Friday 20th October** - Deadline for IQ Christmas Card orders to be sent in to school via your child (collected at register time).

## A Message for Class 6 Parents

It's that time of year again, when Year 6 pupils are thinking about making their choice of which secondary school they would like to attend next September. In order to stay covid safe, Erasmus Darwin Academy will be hosting an opportunity for just Highfields' pupils and parents to attend a meeting on Monday 4<sup>th</sup> October at 9am to find out more about the school. The meeting / tour will last approximately 45 minutes and parents and pupils are expected to make their own way there and for our pupils to be dropped off at Highfields at around 10am. Please let the our office know nearer the time if you wish to attend the meeting with your child so that we can adjust the register accordingly. If your child will not be taking up this opportunity, please send them in as normal for 8.45am.

It is with much sadness that we say goodbye to Mrs Moreton today.

Lyn has worked at Highfields for almost 32 years. Her first role involved working on a 1:1 basis with a pupil before she completed a teaching assistant course and worked with whole classes of children. She then moved in to the Office on a part time basis as well as continuing to work with children before becoming Office Manager. Lyn has proved herself to be such a valuable member of staff over the years and she will be missed for so many reasons, particularly her tea and coffee making skills!

Thank you Mrs Moreton from all the staff, governors, children and parents of Highfields. You thoroughly deserve to put your feet up now and enjoy every minute of your retirement. Have fun spending time with your family, gardening, crafting and holidaying.

Connor in Class 4 proudly shared his trophy this week. He has taken up golf lessons and admits that he was struggling at first with some of the skills. However, he has persevered and has been awarded his trophy for his improvements. Well done Connor!

Congratulations to Mr Jackson who completed his first marathon last weekend in 3 hours and 34 minutes—superb!
