## Dates and times for events for week commencing Monday 11th October

Parents' Evenings, via telephone calls will continue for some classes.

Please send in orders and money for the IQ Christmas card designs with your child. These will be collected at register time. Do **not** hand them in at the school office. **The last day for orders to be accepted will be Wednesday 20th October (next week).**

## Harvest Collection

Thank you so much for the generous donations of food which we have received in school this week. These will be handed over to the local Burntwood Foodbank next week and will help local residents and families. Your help and support is very much appreciated.

## Parking Outside School

The parking outside of school is yet again becoming a major issue. Inconsiderate and illegal parking is putting the children at Highfields in danger. The yellow markings outside school make it very clear and that even stopping to drop your child off outside of the school gates is not acceptable. This is a particular issue when the weather is not so good as we see an increase in people flouting this law. I am sure all of us would rather get a little wet than see a child be injured or killed.

**The way you park does matter!** Make sure that you are parking legally and safely and help us keep the children safe.

# FIRST 4 FOOTBALL

Erasmus Darwin Academy  
Pool Road, Burntwood  
WS7 3QW
