Covid Update

Please see below the following guidance from Primitas, our Learning Partnership.

Staff and pupils **SHOULD NOT** be testing unless:

- 1) You have a health condition which means that you are eligible for COVID-19 treatments.
- 2) You are going into hospital.
- 3) You work in healthcare or adult social care.

Covid is now seen in the eyes of public health as a respiratory illness just like any other respiratory illness and you should only take time off from work/school if you are too unwell to work or have a high temperature. **As soon as you feel well enough you should return to work/school.**

There is no period of isolation as you should not be testing (unless you fit one of the categories above).

Correspondence to the Headteacher and Staff

Just a reminder that anyone wishing to contact Mr Wilkes or staff directly can either phone the school office on 01543 227160 or email using office2@highfields.staffs.sch.uk. **Messages sent to Mr Wilkes or staff via Class Dojo are not monitored.**

Christmas Card Orders

It's that time of year already. Today your child should bring home a paper copy of their IQ Christmas card design and a booking form on the back. If you wish to purchase any items please complete the booking form and return this with the appropriate money in an envelope which needs to be sent back to school via your child and handed in at register time. To avoid long queues, please can we ask that you **do not** bring this directly to the office. **The deadline for the orders and money to be sent in will be Friday 7th October.**
