Child Safety and the Metaverse

With the increased use of VR headsets and the introduction of Facebook's Metaverse, our children are increasingly exposed to a wider range of risks and vulnerabilities. The NSPCC have issued an informative guide for parents about keeping children safe when using the Metaverse.

Does anyone recognise these gloves? They were left outside the ladies toilet during one afternoon of the Key Stage 1 Christmas performances.

If they are yours or one of your relatives, please contact the office to arrange collection or pop in at the beginning or end of the school day.

Congratulations!

During one weekend in December, Alice from Class 5 won 1st place with her team at the ICE Breaker cheerleading competition. Her team also won the Grand Champions title attaining the highest score of the competition.

Winner of the Rotary Award

David from Class 2 has recently been awarded the pupil of the term award from the Rotary Club. Miss Tamber had this to say about him:

‘David is an absolute pleasure to have in the classroom. It is wonderful to see him persevere with his work and to hear him talking about his love for learning. He is often disappointed when it is break time because he wants to carry on working! He is kind, considerate and respectful towards staff and his peers and he is a wonderful role model for children across the school.’ Well done David!

Well Done!

Well done to Ellie from Class 6 who has recently been awarded ‘Performer of The Week’ at the Academy of Performing Arts which she regularly attends. The pupils who attend this group are also going to experience performing on a West End stage (Shaftesbury Theatre) in the near future. We really hope you enjoy this wonderful opportunity Ellie.
