## How To Feed A Family for £20 a Week

We have had a recommendation from one of our parents who would like to share with you a useful Instagram account (search @\_myfirstmeals 'My First Meals' by Grace Mortimer). This account promotes a variety of nutritious meals and gives tips on how to feed a family for £20 a week. Do take a look at the mouth watering recipes.

Check out the Highfields' class twitter pages to see what the children have been learning about for Safer Internet day.

We've been talking about the invisible strings that attach us to people we love.

**Class 1** @Class1Highpri · 4d  
Well Being walk and Talk - we paired up with someone we don't usually spend time with. We talked to each other and tried to find something that connects us.

we have found it so interesting taking the time to connect with others in our class, learning about each other and talking about our interests this week! Who knew we all liked Harry Potter so much!

**Class 5 Highfields** @Class5Highpri · 5d  
A good way to connect with others is to have fun and learn something new! So we learned the dance to a viral dance craze: 'Jerusalem'. We laughed, praised, communicated and worked together to connect as a class and have some fun! Watch out next week for our top secret project!
