Parent / Child Workshop

On Wednesday morning, Mrs Parrish (one of our Class 4 teachers), organised a workshop for parents/grandparents and their children. The children and adults had fun playing games and completing tasks linked to multiplication and spellings. A good time was had by all and we have received very positive feedback from the parents who attended. A big thank you to those adults who supported this event and to Rachel from Souths Staff College who helped Mrs Parrish plan and create the tasks.

Thank You

Thank you to our local Morrisons' store for donating these books for our class libraries. What a wonderful donation !
